

## DOCUMENTATION

It's a free pack of 30 effects that I quickly made as part of a challenge to see what kind of effects I could make in 60 seconds or so.

Enjoy it, hope it helps you in some way.

### **Looking for more VFX?**

You can find me on the [Unity Asset Store](#).

Or on my [Patreon Page](#).

If you enjoy this package, please leave a review on the Asset Store.  
It means a lot.

Thank you!
